Good morning GCEA and Happy Saturday,

A big shout out to Susan Minaya and Mark Odom who are working on our membership system and directory. Our goal is to get the 2020 directory printed by May 30.

Susan has created a survey monkey link for anyone who's information has changed. If all is the same, you do not need to do anything.

BUT, if any of your info has changed, please click the link below and update your info. For any changes, this link needs to be completed no later than 5/15/2020.

Any questions, let me know.
